REQUIRED: What to include in the memo line

Your full name + Your surgery date + BMB

Including these three pieces of information in the memo lets us match your wire to your file the moment it arrives. Without them, we may need to call you to confirm what the payment is for, which delays confirmation.

AMOUNT TO WIRE

Your remaining balance after the \$500 deposit. Your personal advocate at Better Me Bariatrics will confirm the exact amount with you before you initiate the wire. Do not send partial payments without confirming first.

WHEN TO SEND

Your balance is due at least 2 weeks before your scheduled surgery date. We recommend wiring at least 3 weeks before to allow time for the transfer to clear and for us to confirm receipt.

ABOUT WIRE FEES

Your bank will charge you a wire transfer fee, typically \$15 to \$45 for domestic wires and \$45 to \$80 for international wires. This fee is separate from your surgery balance and goes to your bank, not to Better Me Bariatrics. Please factor this in when you initiate the wire.

HOW YOU WILL KNOW YOUR PAYMENT ARRIVED

You will receive an email confirmation from us within 24 hours of your wire transfer clearing. Domestic wires typically arrive the same business day. International wires take 1 to 3 business days.

If you have not received confirmation within 48 hours of sending, call us at (240) 263-0309. Please have your wire confirmation number from your bank ready.
